Homecoming Hoopla

Grayling High School students took part in several homecoming activities last week. The theme for homecoming was "Super Heroes." Above, Kayla Hawes, a sophomore, sprays silly string while walking in the homecoming parade held in downtown Grayling on Friday. Hawes was part of a parade entry based on the Super Hero, Spider-Man. Grant approved for downtown upgrades

by Dan Sanderson
Staff Writer

An 11th hour push to spend federal funds funneled through the State of Michigan has slashed the price tag for a planned project for downtown Grayling.

The City of Grayling last week was awarded a \$519,767 Community Development Block Grant (CDBG) to help pay for water and sewer upgrades in the downtown business district.

City officials had just filed the letter of intent with the Michigan Economic Development Corporation (MEDC) to apply for the grant on Aug. 29.

The CDBG funds will be used to replace two sanitary sewer mains, undersized water mains and storm water and drain structures in the downtown business district. The project also includes replacing the road after the water and sewer improvements are completed. The entire project cost is \$1.3 million.

The CDBG grant is administered through the MEDC as part of the Infrastructure Capacity Enhancement program. The program benefits small cities, villages and townships where at least 51 percent of the population is made up of low and moderate-income households. The program is designed to assist communities in making improvements to exist-

ing public infrastructure systems.

The City of Grayling's Downtown Development Authority is planning a \$1 million streetscape project for the downtown business district. The grant funds will help pay for the project and cut special assessments levied on downtown business owners for the upgrades.

Mike Shore, spokesperson for the MEDC, said federal officials had contacted the state agency and urged them to allocate funds for eligible projects prior to the end of the federal fiscal year which ends on Sept. 30. The Michigan Strategic Fund Board, which oversees the expenditures or CDBG projects, gave the green light for the project.

"The plans were ready to roll so it was not that hard to put these programs together in a fairly quick order to get them rolling," Shore said.

Kim Millikin, a Grayling city council member and liaison for the DDA board, wrote the grant application with help from city engineering and city officials.

"I'm ecstatic for Michigan Avenue property owners because this is going to mean more than a 50 percent reduction in the cost for the DDA project," Millikin said. "Maybe this will help convince them that we need to move forward with this project."

City park project nears completion

by Dan Sanderson
Staff Writer

Renovations and upgrades in the Grayling City Park will be completed by the end of the month.

The new handicapped accessible bridge in the city park was placed over the AuSable River last Wednesday.

The board walk, canoe and kayak launch and fishing pier in the park have been completed.

The former Crawford County Library building, which is owned by the city, is being renovated so that public rest rooms are available on the main floor of the building. A community meeting room space will also be created in the building, which will house recreational and historical interpretive displays.

Over the next couple of weeks, contractors from Robert T. Cole Construction, Inc., of Cadillac, will be pouring the paved pathways in the park, completing the parking lot near the former library and doing site restoration work.

The park was closed by city officials in August due to safety

Wood pellet firm receives tax break

by Dan Sanderson
Staff Writer

The Grayling City Council approved a tax break for a new business which will manufacture pellets from waste wood.

The council, at its regular meeting last week, approved a 50 percent tax abatement for 12 years for Michigan Wood Pellet, LLC, a plant that will manufacture wood pellets used for wood pellet heating stoves as well as animal bedding pellets.

Heating with wood pellet heating stoves is popular in Sweden, Denmark, Austria and Finland, according to the Pellet Fuels Institute.

Pellets are made from waste wood and wood pallets which can not be repaired and reused, which prevents waste from going into landfills.

The business will be owned and operated by Mike Hees, the owner of Monarch Millwork, Inc., located at 2211 Industrial Park Drive, and will be located

Groundbreaking held for new animal shelter

by Dan Sanderson
Staff Writer

Animal Shelter of Crawford County, Inc. Board members and volunteers scooped the first shovels of dirt for a new shelter facility last week.

The official groundbreaking for the new animal shelter, which will be located at the Crawford County Fairgrounds, was held last Wednesday.

The Crawford County Board of Commissioners received a \$330,000 loan from the U.S. Department of Agriculture (USDA) on behalf of the Animal Shelter of Crawford County Board for the new shelter. The shelter board will pay off bonds

that will be issued to pay for the facility over the next 20 years.

Shelter board members fought back tears at the groundbreaking last week, recognizing volunteers and donors who have made the dream of a new facility possible.

"We thank you and the animals thank you for the support," said Sharon Priebe, president of the Animal Shelter of Crawford County, Inc. Board of Directors.

The Animal Shelter of Crawford County, Inc., a non-profit agency, has operated the shelter since 1991 when the county decided it would no longer run the shelter due to budget woes.

The shelter facilities, run by the non-profit organization, have outlived their usefulness and are in dire need of repair and replacement.

The Crawford County Road Commission Board in January extended the lease for the current animal shelter through 2007, but has future plans for the use of the property.

Priebe acknowledged the graciousness of road commission officials for providing a home for stray animals while shelter volunteers raised funds and sought property for the new building.

"They have been supportive of us every inch of the way," she

said.

Priebe also praised county commissioners and Crawford County Administrator Paul Compo for guiding them through the red tape for the grant application.

Roscommon architect Thomas O'Brien has designed the building plans that will be the new home for the animals.

The shelter will be in the northwest corner near Old 27 and M-93 and will be 3,700 square feet.

Construction bids for the shelter are due on Friday, Oct. 13. Construction will get underway by the end of the month, O'Brien said.

Expansion of alumni recognition displays OK'd

by Dan Sanderson
Staff Writer

Crawford AuSable School District officials are expanding initiatives to recognize alumni who have served the country in the military and graduates who have made significant career accomplishments.

The Crawford AuSable School Board approved a contract with Xibitz, a Grand Rapids-based design firm, to add panels to the district's Alumni Hall of Fame.

The Alumni Hall of Fame is located at the main entrance of the high school building, and recognizes students who have achieved significant education and career accomplishments. Three classes of alumni have been inducted into the Alumni Hall of Fame which includes doctors, dentists, pharmacists, attorneys, educators, researchers, entertainers, politicians and diplomats.

The district seeks to recognize alumni who have made a name for themselves in careers including arts and communication, business and management, engineering and manufacturing, health services, human services and natural resources and agriculture.

Mike Dunckel, the Crawford AuSable School District's business manager, said two panels will be added to the Alumni Hall of Fame since the existing panels for the health and human services fields are full from alumni inducted over the last three years.

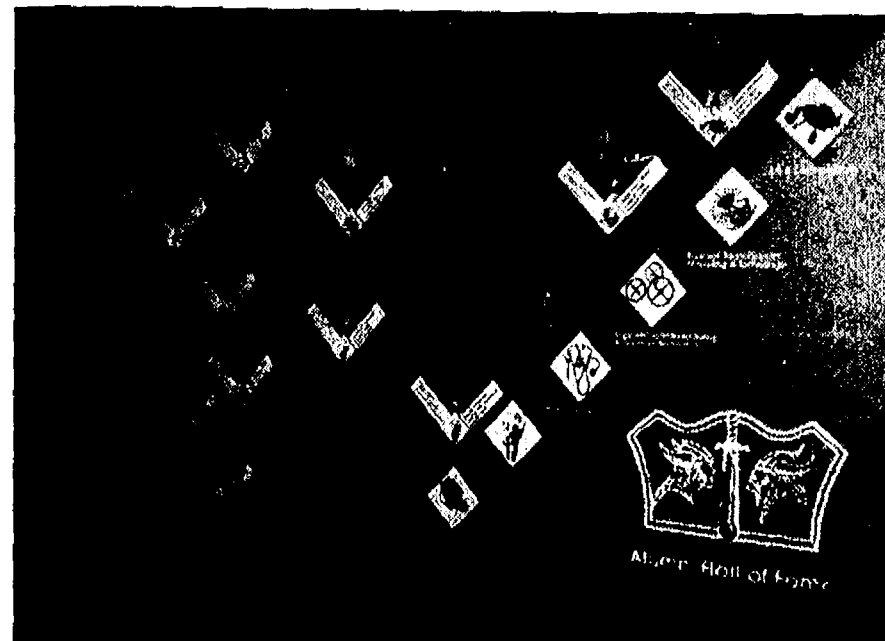

The high school's Military Hall of Honor, which recognizes graduates who have served the country in wars as well as peacetime is located in the hallway leading to the Joseph H. Stripe Auditorium. A total of 832 high school graduates have been honored on the Military Hall of Honor display.

The district is paying Xibitz to update a glass panel in the Military Hall of Honor, which recognizes alumni who have been killed in action.

Dunckel said the Alumni Hall of Fame and Military Hall of Honor have been popular additions to the high school with students, parents and visitors since both displays are located at main entrances to the building.

"It's been a huge showcase for the high school and for the alumni association," Dunckel said.

The district will pay \$9,994 for the additions to the displays.

concerns. "Hopefully, when the park is open again, people will stop there for lunch and it will draw more people downtown, too," said Grayling Mayor Larry Akers.

Gary Psenicka, a Beaver Creek Township resident, said he was pleased that the new bridge in the park is handicapped accessible and that the former library will be used as a community center.

"That will draw more people down to the park to spend some time and I think it's going to be a plus for seniors and the handi-

capped because they're going to be able to get across the river," Psenicka said.

The city received a \$348,975 Michigan Department of Natural Resources (DNR) recreation grant for the park improvements. The city had to provide a \$193,013 local match for the upgrades.

Nate Elkins, a land planner with Gosling Czubak, the city's engineering firm, said the park upgrades tie in well with the streetscape project along the I-75 Business Loop, the city's storm water sewer renovations and planned projects for the down-

town business district.

"It's definitely going to be a huge perk to have a nice park to play in," Elkins said.

Political moderates face extinction

AMERICANS WHO do not wholeheartedly embrace the political positions of either the extreme left or the extreme right are an endangered species and that means the American political system is in peril.

That warning comes from outspoken moderate US Rep. Joe Schwarz, who was defeated for renomination to his Michigan congressional seat in August and will end his single two-year term in Washington in December.

Mr. Schwarz of Battle Creek was trounced by former State Rep. Tim Walberg of Lenawee County in a nasty and expensive Republican primary.

"I am the political equivalent of a woolly mammoth, a rarity headed for extinction. Yes I'm a moderate," wrote Mr. Schwarz in a recent column for the Washington Post.

"Our plight is dire. Even though more than half of all American voters consider themselves centrists, the Republican and Democratic parties are finding themselves controlled to an ever greater extent by their more extreme elements."

Mr. Schwarz assigned to the Republican side the "religious right, the quasi-theocrats."

On the Democratic side, he claimed, "the moneyed Eastern establishment and California liberals shrilly tell Americans the sky is falling, that the world hates us and that Republicans are all wrong. Yet they offer no viable alternatives."

Both extremes infiltrate the party power structures and demand strict adherence to their positions, he concludes.

He's got a point. Political extremism often brings juggernaut politics or stalemate, and the art of productive politics demands cooperation and compromise for success.

MR. SCHWARZ uses his own campaign loss as an example of danger to moderation.

He admits that his moderate (for Republicans) positions on abortion, stem cell research and "general feeling that religion and moral and ethical issues are private matters" riled "the hard right."

Jumping into the fray with all guns blazing was the Club for Growth, which plunked more than \$1 million into efforts to defeat the moderate Schwarz, who described the group as "a Washington outfit supported by pluto-

crats nationwide who apparently have nothing better to do with their money than give it to an organization that stands for nothing ... and likes to play in elections in which it has no logical interest."

Even before Tim Walberg announced his candidacy for congress, the Club for Growth was running TV ads attacking Joe Schwarz as "a liberal." The drumbeat of anti-Schwarz attack ads intensified through primary day. None was pro-Walberg; all were anti-Schwarz.

Michigan Right to Life also listed Mr. Schwarz as a priority target, working largely through churches for Walberg's victory.

The result, wrote Mr. Schwarz, was "a classic example of a motivated minority - just 7.8 percent of the Republican electorate district wide - nominating a congressional candidate."

An historical note here: Two years ago, the retirement of conservative Rep. Nick Smith opened this seat. Six Republican candidates filed for nomination: Five, including Tim Walberg, were avowed conservatives. Joe Schwarz, the only centrist, won with only 28 percent of the Republican vote, meaning 72 percent of those who voted favored a con-

servative congressman, which provided a very fertile field for a conservative challenge in 2004.

POLITICS NEEDS a middle, Mr. Schwarz concludes. Hard line extremes, he claims, have "hamstrung political bodies from coast to coast."

And because moderates "straddle party lines, they may never be much of a cohesive group with the ability to move a policy agenda," he warns, concluding that "unless they learn to fight as hard for the policies of the sane and rational center as the far right and far left fight for the extremes," moderates may become as extinct as the woolly mammoth.

The Schwarz thesis may be influenced by his own recent bitter experiences, first in coping with the extremists he finds in Congress, and then in being dumped by voters.

A few signs exist that political moderation still lives. For example, moderate Republican US Sen. Lincoln Chaffee squeezed out a primary win in Rhode Island over determined and well-financed right wing attacks, including a Schwarz-like negative campaign by the

Club for Growth. And in Connecticut, Democrat Sen. Joe Lieberman, after a narrow loss to a left wing charge in the primary, is doing right well as an independent candidate. The November vote will provide further evidence in both cases.

Veteran political writer David Broder of the Washington Post sees signs of moderate resurgence. In a recent column, Mr. Broder pointed to a handful of Republican senators who moderated White House positions on handling terrorism. He also referred to the so-called Gang of Fourteen senators from both parties who last year won compromise to prevent a drastic change in senate filibuster rules.

These may be delicate straws of hope for moderates. Time will tell.

There's no question in my mind that political extremism exists, has been growing, and should be reversed.

The attitude that "my way is the only way" has undermined public confidence in the entire political process.

VIEWPOINT

By Donald Babcock, Managing Director Crawford County Road Commission

Proposed millage to be used for improvement on county's primary roads

After reading Mr. Bastianelli's article regarding roads and the millage I felt needed to respond to his remarks.

The proposed millage is to be used to improve the county's primary road system. The Crawford County Road Commission receives funding from the State based on miles of roadways with the county's primary road and local road systems.

Primary roads are the main arterials in the county. Local roads are generally collectors and residential streets.

I am sure any road you live on, or travel, on a regular basis is your high priority and I wish the road commission had enough funding to pave everyone's road. But this is plainly not the case. The simple fact is road commissions throughout the state are being woefully under funded. It has been like that for years and is

not getting any better.

Yes, Mr. Bastianelli there are a lot of roads within Crawford County that are in bad shape. The Road Commission knows this and is trying to correct that problem. That is why the board made the decision to try to get additional funding that would be strictly earmarked just for those improvements.

The road commission does not have "Pet" projects. Just the mention of that seems unfair and underhanded. The portion of roadway you are referring to was resurfaced in 2000 and was funded through the Michigan Department of Transportation. They funded this work because they wanted to use Military Road as an alternate route while portions of I-75 and US-27 were being reconstructed. The same portion of road was resurfaced this year by the paving contractor

in order to repair areas that were defective. None of the paving done on that portion of roadway was paid for by the Road Commission. This is not a so called "Pet" project. Are you suggesting the road commission turn down free funding to improve roads?

Of the 180.65 miles of primary roads within the county, over 40 miles need improvements now! Approximately 6.5 million dollars worth of work is needed to catch up on road improvements. We know we can not do it all at once and we know we can not ask the people in the county to pay for it. We are asking for some help until the legislature finally figures out that county road commissions, cities and villages need more money for road improvements.

Mr. Bastianelli referred to the Road Commission's five (5) year

construction plan. I invite everyone to stop at the Road Commission office and pick up a copy of the plan. Travel the roads such as Mr. Bastianelli has done and give the road commission your opinion as to what roads should be on the high priority list. Your opinion certainly weighs on the boards decisions as to what projects should be on this list.

I am not here to tell you which way to vote. I know the people understand there is a need out there to get roads improved. You are the only ones that know if it is important enough to you to vote in a millage. The road commission will do its best to administer the funds in a prudent manner and to work on the roads that need improvements. I can also say that if additional help does not come from local-state or federal means the road system will only get worse before it gets better.

Two boys later claim to be cheerleaders

To the editor:

The Sept. 28 issue of the *Avalanche* contained an article about three men who thought they were the last boys to be Grayling High School cheerleaders. I applaud them for having done that, but, there were two later that can make that claim.

After the 1959 football season was over, Norman Sorenson and Mike Young of the class of '62 went from football to cheerleading for the basketball season. Since that time, to my knowledge no other boys have made that step.

Another record their class holds and under the present rules can not be broken, is the selection of homecoming queen. Pam Beulter was elected as a freshman, Mickey Doremire as a sophomore, Pauline Millikin as a junior and Linda Boone as a senior giving their class that honor all four years of high school. The fact that four different girls were elected makes that record even more amazing.

Stop using illegals or get them proper medical treatment

To the editor:

E Coli from California, how shocking. They have illegal workers working all their fields, planting, weeding, harvesting, and processing.

This time it is spinach, it could have been any crop that needs to be washed on site. These workers (no fault of theirs) have no medical coverage. They could have any sickness or virus that

can be easily spread. We should either stop using illegals or get them proper medical treatment.

We have one hundred and seventy five sick and I'm not sure how many dead from this. It is too late for them, but it is time to wake up congress. They have to stop playing politics and grow up and do their job.

Local students visit historical museum

To the editor:

Parents, if you haven't visited the Crawford County Historical Museum lately, talk to your kids. Two hundred primary school students toured the museum and found many interesting things.

The museum is open Wednesday through Saturday, from 9 a.m. until 4 p.m. Please take the time to tour the old depot and town hall, caboose and other buildings. You'll gain a new understanding of what has

made Grayling and Crawford County such a great place to live and raise a family through the years. We hope to see you there.

On Oct. 8, the old passenger train will make its annual stop at the depot. Bring the family and a camera. It's big, it's noisy, and it's the real thing from days gone by.

Kirtland to host annual College Night

For those who plan to enter college next fall, now is the time to begin narrowing the options and Kirtland Community College is offering a helping hand. High school students, their parents and anyone interested in finding out more about higher education in Michigan are encouraged to spend the evening of Thursday, Oct. 12, at Kirtland where more than 40 colleges from all over the state will have representatives on hand for College Night 2006.

The annual event, which runs from 6 p.m. - 7:30 p.m. in the Student Center, offers students

and parents the opportunity to talk to college representatives and gather the information needed to make informed choices about continued education.

In addition to colleges such as Michigan State University, Ferris State University, Oakland University, Saginaw Valley State University and Delta College, representatives from several military branches are scheduled to be in attendance. Financial advisers will also be available to offer assistance.

For more information about College Night 2006, call 989-275-5000, ext. 284.

College Night 2005 at Kirtland was a huge success. This year's event will once again bring representatives from more than 40 Michigan colleges and universities to campus to talk to prospective students.

Gaylord Chamber Orchestra to play cabaret concert

On Sunday, Oct. 15, the Gaylord Chamber Orchestra will present "A Cabaret" at the Otsego Club Special Events Center in Gaylord. Hors d'oeuvres will be served from 4 p.m. to 5 p.m. with the concert beginning at 5 p.m. A cash bar will be available throughout the event. This concert is a benefit for the Gaylord Chamber and Youth Orchestras.

The Gaylord Chamber Orchestra was formed in 2001 and performs three to four concerts a year. The ensemble is comprised of musicians from in and around the Gaylord community. The Gaylord Youth Orchestra performs both in the community and area schools, and was also developed and is maintained by the Gaylord Chamber Orchestra board.

At the upcoming concert, the string instruments, woodwinds, brass, and percussion will play light classic, pops and jazz selections such as Salute to the Big Apple, Moonlight Serenade, and

Colonel Bogey's March, to name a few. There will be a name that tune contest with prizes and other special features.

The concert will be under the direction of Tom Riccobono who is in his 11th year as instructor of low brass at the Interlochen Arts Academy. Riccobono holds degrees from the Eastman School of Music, Penn State University, and the Cleveland Institute of Music. He has performed in many orchestras both in the United States and abroad. Riccobono is principal trombonist with the Traverse Symphony Orchestra and conducts the NMC Concert Band and the Traverse Youth Symphony Orchestra.

Tickets for the Gaylord Chamber Orchestra's "A Cabaret," are \$35 each and available in Gaylord at Saturn Booksellers, Musik Haus, Moondance Music, and at the door. Questions may be directed to GCO board member Trish Duley, 989-732-6350.

on the same property. Hees is investing \$2.1 million for buildings and equipment for the plant.

Phase one of the project involves making site improvements and investing \$700,000 in equipment for the operation.

Phase two calls for the construction of a 20,000 square foot building and the additional investment of \$750,000 for equipment.

Hees plans to create 18 jobs at the business over the next two years.

Monarch Millwork, Inc., which employs between 10 to 35 people depending on the workload, will continue to operate in the industrial park.

Grayling Mayor Larry Akers said city officials were pleased to see a new business added in the industrial park which will be compatible with other wood manufacturing firms located in the area.

"It's a good fit for the industrial park and it will bring needed jobs to the community," Akers said.

Mental health organization receives nearly \$1 M in grants

Adults with mental illness and children with serious emotional disturbance will benefit from \$828,900 in additional funding awarded to Northern Lakes Community Mental Health (CMH) next year from the Michigan Department of Community Health. The organization applied for a total of 12 adult and children mental health block grants and will receive the full amount requested for each.

"This is outstanding news," said Greg Paffhouse, chief executive officer. "It is a reflection on the great work done by those individuals who helped in proposal development, and a great opportunity for us to promote the outcomes identified as high priorities in our communities."

A recovery grant will support transformation of the local public mental health system to one based on recovery principles. Recovery transformation will utilize the national consensus statement derived from deliberations at the National Conference on Mental Health Recovery and Systems Transformation of 2004, which defines mental health recovery as "a journey of healing and transformation enabling a person with a mental health problem to live a meaningful life in a community of his or her choice while striving to achieve his or her full potential."

Paffhouse explains, "By definition, the recovery process is self-directed by the individual, who defines his or her own life goals and designs a unique path toward those goals. The recovery model focuses on a person's abilities to live, work, learn and fully participate in society; and it embraces empowerment, choice, hope, respect, and peer support. Recovery focuses on building on the multiple capacities, resiliencies, talents, coping abilities and inherent worth of individuals."

"With the recovery grant we will change our structure to one with recovery principles as its foundation, utilizing extensive involvement and input from individuals with mental illness to guide us in its development."

A second grant will support a multi-faceted anti-stigma campaign. Plans include development of a speaker's bureau, displays, art shows featuring work of individuals with mental illness, documentaries, and public service announcements.

"One in five people will have a mental health issue during their lifetime that requires treatment, yet many people do not seek the treatment they need because of stigma," says Paffhouse. "The anti-stigma grant will provide funds to support a number of initiatives that will help the general public understand that mental illness is real, common, and treatable."

Two of the grants support consumer-run drop-in centers, which are safe places where people with mental health issues can

gather for support and socialization. Kandu Island drop in center and its Third Meal Food Pantry in Traverse City will expand its space at its Garfield Road location and increase staffing to allow for additional hours of operation. The other grant will fulfill some equipment and transportation needs to support growth at the chatroom drop-in center in Houghton Lake.

Staff and members of Club Cadillac Clubhouse will receive International Center for Clubhouse Development (ICCD) training through another grant.

Through an assessment for intervention to address difficult behaviors grant, psychologists and other mental health professionals, nurses, occupational therapists, case managers and direct care staff who work with older adults in a nine-county area will receive training to gain expertise in addressing the difficult behavior of clients with cognitive impairment related to chronic mental illness and/or dementia.

In addition, the following two grants will support expansion of evidence based practice initiatives over the nine-county area that Northern Lakes CMH serves with its affiliate, West Michigan CMH System.

The family psychoeducation grant will provide intensive education and support for people with schizophrenia and their families in nine counties. The program was piloted in three Northern Lakes CMH sites over the past year and has been extremely well received by the families who have participated in it.

The second evidence based practice grant provides for funding to extend work underway for training and implementation of a regional system-wide transformation process to provide integrated co-occurring disorders treatment for adults who have both a serious mental illness and a substance abuse disorder across nine counties.

The last adult grant will allow Northern Lakes CMH to continue and expand peer support specialist training in the coming

year on behalf of the State of Michigan. This program trains mental health consumers to be mentors for their peers. Last year three trainings were held at the MacMullen Conference Center at Higgins Lake, culminating in the first certification program for peers in the state. This year the program will grow to five trainings.

"This is a real honor for Northern Lakes CMH," says Paffhouse. "We are gratified that the Michigan Department of Community Health has granted this sole source contract once again. We are pleased to be able to serve the state in this capacity."

Three grants support children's services. One will provide for increased capacity for community-specific respite resources for families with children with severe emotional disturbance. A second grant funds "wrap-around" services for children in Grand Traverse and Leelanau Counties who are not eligible for Medicaid. Wraparound is not a program but a process in which families and community systems work together for the benefit of the child and their family. It is strength-based with the family as its core with an individualized plan of community services and resources that "wraparound" the family.

The third children's grant will provide funding to support a system of care planning process and plan development in Grand Traverse/ Leelanau/ Missaukee/ Wexford, and Crawford/ Roscommon counties to support children and youth with mental health challenges in these six counties.

Northern Lakes CMH manages or provides services and supports to over 5,000 residents who are adults and children with developmental disabilities, adults with serious mental illness, and children with serious emotional disturbance living in its six-county service area of Crawford, Grand Traverse, Leelanau, Missaukee, Roscommon and Wexford. For more information call Greg Paffhouse at (231) 935-3083 or (231) 876-3200.

Speedway gas station reopens with new store

by Dan Sanderson
Staff Writer

After nearly a four-month hiatus from serving customers in the Grayling gasoline and convenience store market, Speedway opened for business last week.

Speedway, located at 308 S. James St., reopened on Tuesday, Sept. 26. The former Speedway convenience store was demolished in June. The store and gas pumps were reconfigured on the site as the new store was under construction.

The square footage of the store nearly doubled from 1,306 square feet to 2,160 square feet. The number of gasoline dispensers grew from four to six pumps. And one employee was added to the store's workforce, bringing the number of Speedway employees to 11.

Linda Casey, spokesperson for the Enon, Ohio-based Speedway SuperAmerica LLC, said the company strives to routinely upgrade its 1,650 convenience stores located in the Midwest.

"We want to have stores that are inviting and provide our customers with the services they need," Casey said.

The larger convenience store features roller grills with Oscar Meyer hot dogs and other roller grill products, hot and cold sandwiches and pizza. Frozen beverages, coffees and cappuccino are also available. The store also offers beer and wine.

"Because profits are not made on gasoline, you need to go from smaller stores to having bigger stores that have more to offer that customers want and that require the larger stores," Casey

said.

The Speedway name dates back to the mid-1900s and was first linked with a chain of gasoline stations based in Detroit called Speedway 79. In 1959, the Ohio Oil Company, now Marathon Petroleum Company, purchased the stations and changed them to Marathon stations.

During the 1970's oil crisis, Marathon revived the Speedway name at higher-volume stations with convenience stores. The strategy proved to be a positive move, and the Speedway name was expanded across the Midwest and southeastern United States as the Marathon Petroleum Company acquired various smaller regional gas station chains.

In 1997, Marathon and

Ashland Petroleum agreed to merge their refining assets to form Marathon Ashland Petroleum LLC. SuperAmerica was a brand name for a chain of gas stations and convenience stores for Northeastern Refining of St. Paul, Minn., which was acquired by Ashland Petroleum in 1970. In the process of the merger, the two companies convenience stores were merged together to form Speedway SuperAmerica LLC. Speedway SuperAmerica LLC is owned by the Finley, Ohio-based Marathon Petroleum Company LLC.

Speedway stores are located in West Virginia, Ohio, Michigan, Indiana, Kentucky, Illinois and Wisconsin. Stores under the SuperAmerica brand name are located in Minnesota, Wisconsin and Kentucky.

Gaylord - Most people wouldn't think of taking Echinacea or Ginger Root to treat a cold or the flu, but Mary Seger, N.P., Ph.D., will discuss these and other herbal remedies to everyday health issues in a presentation titled "Herbal Medicine for Common Health Problems." The presentation will be held on Wednesday, Oct. 11, from 7 p.m. - 8:30 p.m., at the Best Western Alpine Lodge, in the Alpine Conference Room, 833 West Main St., Gaylord. During the

session, Dr. Seger will discuss herbs such as Echinacea, Ginger Root, St. John's Wart, Gymnema, Valerian and more. This presentation is free and open to the public. For more information call (989) 731-2193.

Midland - Northwood's 43rd International Auto Show, North America's largest new car show, will be held on Oct. 6, 7, and 8 on Northwood's Midland campus at 4000 Whiting Drive. The classic car show will be held on Oct. 8 and includes a cruise

through the Mall Walk on campus. Exhibits will line the Mall Walk offering a variety of food, refreshments, information and entertainment. The auto show is free of charge and is open to the public. Show hours are Friday, Oct. 6 from 1 p.m. - 6 p.m.; Saturday, Oct. 7 from 9 a.m. - 6 p.m.; and Sunday, Oct. 8 from 10 a.m. - 5 p.m. For more information call 989-837-4423.

School Dentist checks choppers

by Dan Sanderson
Staff Writer

In between classes, recess and lunch last Wednesday, students at the Grayling Elementary School took time to have their choppers checked.

About 30 students at the elementary school went through the full gamut of a dental exam with The School Dentist, having their teeth examined and cleaned. They also received a fluoride treatment, and some students had sealants placed on their adult teeth to prevent cavities.

The School Dentist, Dr. Melanie Sheils-Vergeldt, also pays annual visits to the AuSable Primary and Grayling Middle School.

The dental services are billed to insurance companies or parents are charged a nominal fee for the preventative care. The students receive a written report from the check ups to take home to their parents.

"We try to identify what the needs are so the parents know what to keep an eye on," Sheils-Vergeldt said.

The School Dentist has visited more than 100 schools in Michigan, setting up in vestibules, lunch rooms and on stages.

"We're pretty portable - we just need water and we're ready to go," Sheils-Vergeldt said.

Students at the elementary school received their check up in the comfortable confines of the school's conference room. In between x-rays and check ups, the students were able to watch a cartoon produced by the American Dental Association called "Dudley the Dinosaur," which educates children about dental hygiene.

After the exams and treatments, each student was given a Sponge Bob tooth brush and bubble gum flavored tooth paste.

Aaron Hagle, 9, a fourth grader at Grayling Elementary School, has sealants applied to his molars by dental hygienist Jessica Victor as Dr. Melanie Sheils-Vergeldt, The School Dentist, looks on.

Elementary fourth grader, came through his check up with no cavities.

"It just feels great to have my teeth cleaned," Phillips said.

Sam Cousins, 10, a fifth grader, said he likes seeing the familiar face of The School Dentist while in the dental chair.

"You can talk with the other kids from class, you don't have to wait a long time and you see the same dentist that you saw last year," Cousins said.

Shania and Maggie Gasser, 9, twin sisters who are fourth graders, received check ups last week. Maggie said she appreciated not having to interrupt their parents work day to make a trip to the dentist.

"You get to stay at school and you just walk down from class," she said.

Eddie Evarson, 10, a fifth grader, is a big fan of going to the dentist no matter where he has to go.

"It's pretty much the same - it's fun for me," Evarson said.

Angela Camp, the Grayling Elementary School principal, said bringing The School Dentist in helps take the fear out of the regular check ups. Afterwards, Camp said the students show off their clean teeth to school staff.

"I think the students are proud that they receive the services from the dentist," Camp said. "Bringing the dentist to school is a lot less intimidating - so that's another perk - because they receive services in familiar surroundings."

Barb Mick, the AuSable Primary School, said having The School Dentist in adds to the energy of the school day.

"There is a buzz in the building when they're here, and even the kids that don't go all want to go get checked out," she said.

Sheils-Vergeldt said she sees more cavities today, which she attributes to the foods kids and families eat.

Cari Lynn Bendar, 7, a Grayling Elementary third grader, has her x-rays taken by x-ray technician Nela Hariga.

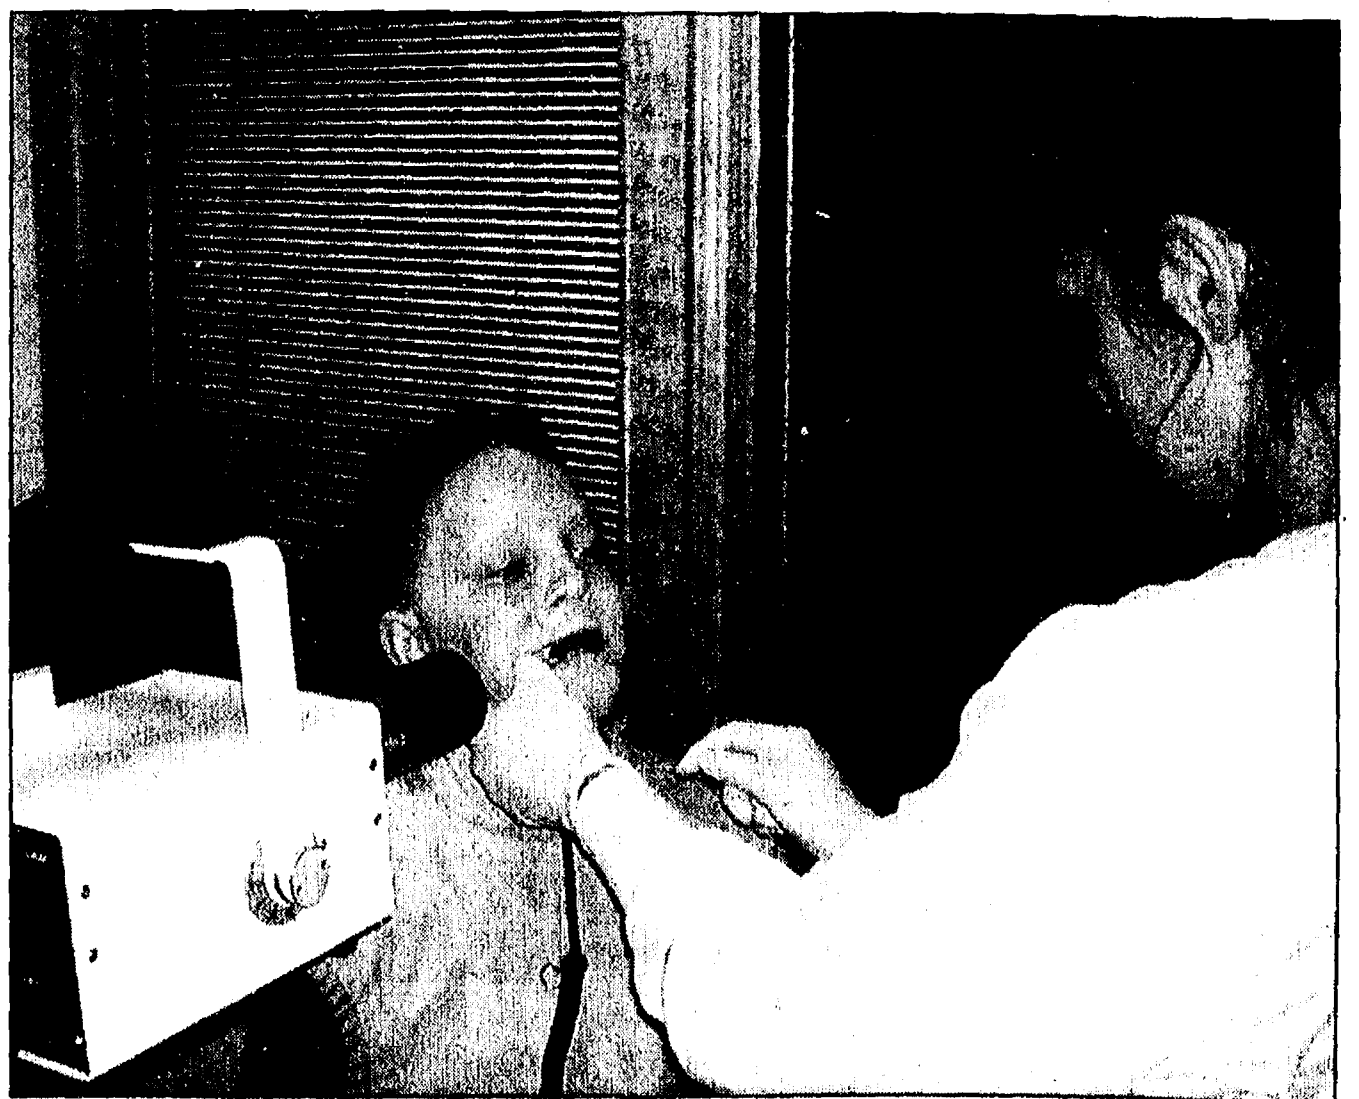

"Everything we eat is loaded with sugar," she said.

Sheils-Vergeldt, from Beverly Hills, was a family dentist in Birmingham, Rochester and Almont, and also has experience as a Health Department Dentist in Oakland, Tuscola, Huron and Sanilac Counties. She hatched the idea to become The School Dentist three years ago after she

was diagnosed and went through treatment for breast cancer.

Referrals are made to local dentist for restorative dentistry, orthodontics, oral surgery and hospital dentistry.

"Our intent is to see the kids who don't get seen," she said. "I don't want to start a major project and not be able to do the follow up treatment."

Vikings win homecoming game 47-0 vs. Kalkaska Blazers

Grayling's defense posts second consecutive shutout

■ **GHS improves to 4-0 in LMC and moves to within one victory of a playoff berth**

by Caleb Casey
Senior Staff Writer

With a 47-0 victory over the Kalkaska Blazers in last Friday's homecoming game, the Grayling High School varsity football team moved to within one win of qualifying for the playoffs for a fourth consecutive season. The Vikings are 5-1 overall (and 4-0 in the Lake Michigan

Conference) with three regular season games left to play.

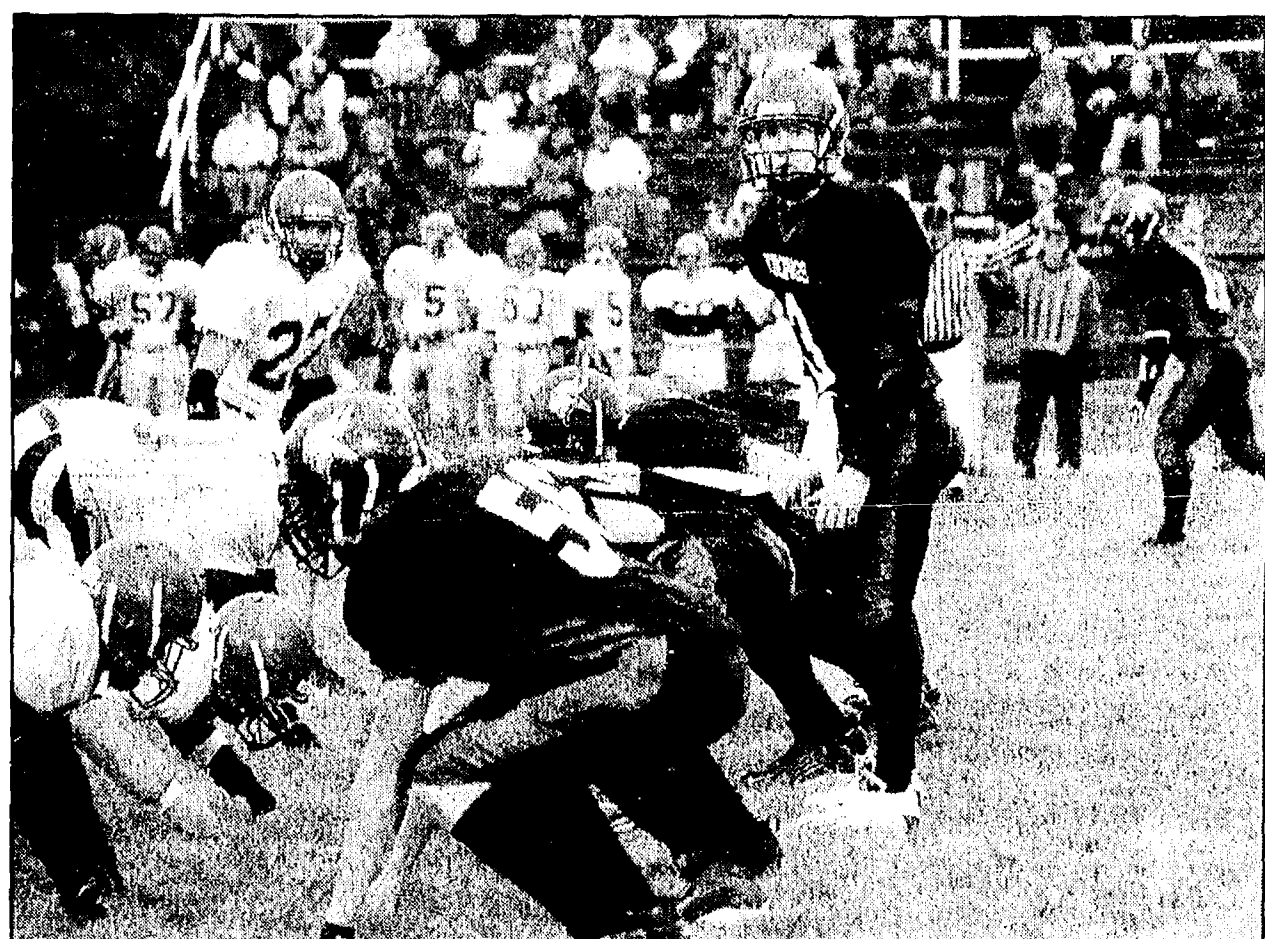

On Friday night, the Vikings received the opening kickoff and started at their own 26-yard line. Quarterback Jeff Bancroft passed to Nick Parkinson for a gain of 14 yards on the first play of the series. Two runs by Ryan Cooper picked up another first down. Bancroft passed to Parkinson for 31 yards on 1st and 10. Tim VanNuck ran for 10 yards on the next play, bringing up 1st and goal at the 9-yard line. Kalkaska kept

GHS out of the end zone for the next four plays to take over on downs at the 1-yard line.

Kalkaska punted on 4th and 5 from its 6-yard line. Josh Stapleton returned the kick to Kalkaska's 26-yard line. A holding penalty moved Grayling back. On 3rd and 25, Bancroft passed to Isaac VanNuck for 22 yards. On 4th and 3, Bancroft passed to I. VanNuck for nine yards. On 2nd and 6, Bancroft passed to I. VanNuck for a touchdown.

■ **Viking football team moves to 5-1 overall with victory vs. Blazers**

by Caleb Casey
Senior Staff Writer

Grayling High School won last Thursday's junior varsity football game at Kalkaska by a final score of 38-0. The victory

improved Grayling's season record to 5-1.

The Vikings forced Kalkaska to punt on the first series of the game. Grayling took over at Kalkaska's 49-yard line and gained 41 yards on a pass from quarterback Jimmy Osga to Eric Ferrigan on 3rd and 1. On the next play -- 1st and goal from the 1-yard line -- Osga

passed to Johnny Cochrane for a touchdown. The extra point kick missed and GHS led 6-0.

The Blazers punted on 4th and 15 and GHS started at its 41-yard line. An eight-yard pass from Osga to Justin Farnsworth (on 2nd and 10) and a six-yard run by Dustin Russo (on 4th and 1) picked up a first down. On 1st and 10,

Osga passed deep to Farnsworth for a gain of 39 yards. The Vikings finished the drive with a one-yard TD run by Matt Haight on 2nd and goal. Kalkaska blocked the extra point kick. The Vikings had a 12-0 lead.

October is...
National DENTAL HYGIENE Month

October celebrates National Dental Hygiene Month because keeping up with proper Dental Hygiene is very important to your health. Whether you are young or old, you should follow these 8 basic steps to creating that beautiful smile you always dreamed of.

1. Brush front and back of each tooth after every meal.
2. Be sure to brush the chewing surface of each tooth.
3. You only need a tiny bit of toothpaste.
4. Be gentle.
5. Floss every day.
6. Use a fresh section of floss for each tooth.
7. Move floss around teeth in a "C" shape.
8. Slide the floss up and down between teeth slowly.

Varsity team falls to Petoskey, Charlevoix

Grayling loses to Northmen and Rayders in games played on the road

The GHS varsity girls basketball team played two games on the road last week and lost both contests.

On Tuesday, Grayling fell to the Petoskey Northmen 64-36.

"We got off to a good start, leading by four points midway through the second quarter. We played 12 minutes of good basketball but there is 32 minutes in the game. We could not handle Petoskey's pressure in the middle of the second quarter. We forced the ball and made poor

decisions. Things quickly snowballed in the wrong direction from there," Coach L.J. Mead said.

Abby Wheeler had 13 points for GHS. Laura Boylan had 12 points. Ashley Bindschatel, Annie Melroy, Jessie Baker, and Rachel Doremire also scored points for the Vikings.

On Thursday, the Vikings lost to the Rayders at Charlevoix 66-18.

Monica Peters had 4 points and 4 rebounds. Wheeler had 4 points and 3 assists. Doremire had 2 points, 4 rebounds, and 1 assist. Boylan had 4 points.

The Vikings will host the Elk Rapids Elks on Thursday, Oct. 5.

JV basketball squad loses two road games

Vikings fall to Northmen and Rayders at Petoskey and Charlevoix

Grayling High School's JV girls basketball lost two games on the road last week.

On Tuesday, the Vikings fell to the Petoskey Northmen 45-29 at Petoskey.

Alyssa Lewis had 19 points, 10 steals, and 8 rebounds for GHS. "(Alyssa) continues to be a strong player for us that makes things happen. Her aggressive play and hard work is an asset to our team. Hannah Smith had her highest scoring game this season with six points and she also had three steals and three rebounds. Jess Bindschatel had five steals, four points, and three rebounds. Liz Dandy also stepped up and played hard, pulling down four rebounds. She is really coming along and doing little things that do not always show up in the stat sheet," Coach Angie Dalak said.

"We let Petoskey come out and get a big early lead on us. We need to have the same focus at the beginning of our games that we have in the second half. Right now we are a second half

team and we need to bring that up to a full game," Coach Dalak said.

On Thursday the Vikings lost to a tough Charlevoix Rayders team 59-20 at Charlevoix.

"Sam Schreiber had nine points, five rebounds, and five steals. She was out a couple of games and it was very nice to have her back, fully recovered. Jess Bindschatel had five points and three steals. Jess has really stepped up to her position as point guard, improving constantly. She has become one of my silent leaders on the team. Alyssa Lewis recorded five steals, four boards, and two points. Hannah Smith had five rebounds and two points. Naomi Anglemeyer chipped in with two points and Krista Schultz got four steals," Coach Dalak said.

"We really hustled hard and played with some intensity that I haven't seen in a few games. Now we just have to be able to put the ball in the hoop with a little more consistency," Coach Dalak said.

The Vikings will host the Elk Rapids Elks at 6 p.m. on Thursday, Oct. 5.

HUNTING

Mason Krey, 12, of Grayling, harvested his first buck during a youth hunt on Saturday, Sept. 23. Krey was hunting with his father, Tim Krey, and grandfather, Al Krey.

Local hunter Ashton DeHoff, 13, also shot his first deer while taking part in the youth hunt on Sept. 23. DeHoff bagged the six-point buck while hunting with his uncle in the Comins area.

A Gold Mine in Bedroom Drawers

Newswire: People are selling their old scrap gold that is gathering dust for its cash value because gold prices are so high. With the price of gold at a 25 year high (over \$650.00 per ounce), it makes sense. ScrapGold.com, a gold recycler, offers free insured recycle kits so people may cash in their scrap with 24 hour service and guarantee satisfaction. They accept broken, and outdated items like chains, charms, rings and more. "Everyone has bits of gold just lying around which can be turned into cash" says Richard Zakoff, VP of marketing. "Even old dental gold has value." ScrapGold.com processes over 10,000 recycle kits per month. People can get a free GoldKit at 1-800-283-4700 or ScrapGold.com.

The extra point kick missed. GHS led 6-0.

The Blazers punted on the fifth play of their next drive, pinning Grayling at its own 8-yard line. On 3rd and 3, Cooper got free for a 55-yard run. Penalties for holding and false start hampered the drive. With incomplete passes on third and fourth down, Grayling turned the ball over on downs.

On the third play of Kalkaska's next possession, 3rd and 7, Geo Bindschatel sacked the Kalkaska quarterback for a seven-yard loss, forcing a punt on 4th and 14.

The Vikings started 44 yards from the goal line. A pass to Parkinson and runs by Cooper and T. VanNuck gained 15 yards and a first down. Runs by T. VanNuck, Bancroft, and Cooper brought up 1st and 10 at the 16-yard line. A run by T. VanNuck and a pass to Stapleton gained 11 yards, bringing up 1st and goal at the 5-yard line. On the next play, Bancroft passed to Bindschatel in the end zone for a five-yard touchdown. Jason Drudge kicked the extra point, and GHS had a 13-0 lead.

The Blazers drove from their own 42-yard line to Grayling's 23-yard line. A QB sack by Matt McDonald on 2nd and 9 brought up 3rd and 17. Incomplete passes on third down and fourth down resulted in a turnover on downs.

GHS took over at its 30-yard line with 2:06 left in the first half. A pass to Parkinson gained 10 yards. Bancroft passed to Parkinson for 40 yards on the next play. On 4th and 7, Grayling tried for a field goal but the kick fell short.

Kalkaska ran three plays and the first half ended with Grayling leading 13-0.

The Blazers punted on 4th and 10 on the first series of the second half.

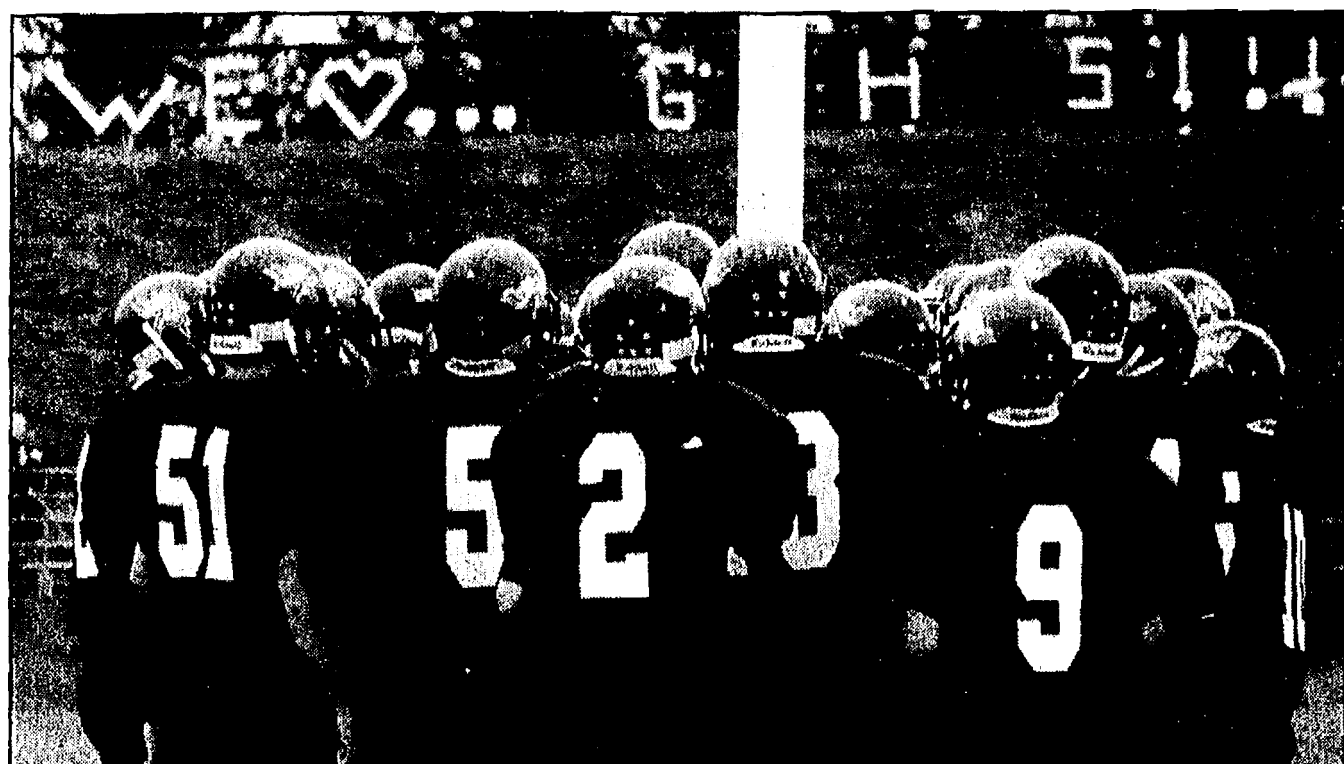

Grayling moved from its 32-yard line to Kalkaska's 33-yard line on a pass from Bancroft to I. VanNuck. T. VanNuck ran for 15 yards on the next play. On 1st and 15 (after a false start penalty), Bancroft passed to I. VanNuck for a 23-yard touchdown. The extra point kick missed. Grayling led 19-0.

On the sixth play of Kalkaska's next drive, Parkinson hit a Blazer receiver to break up a

pass play. The ball was tipped into the air on the play, and Cooper intercepted the ball for Grayling.

The Vikings scored on the second play of the series with a 41-yard TD run by Bancroft. The extra point kick failed, and GHS had a 25-0 lead.

Kalkaska punted and Grayling took over at its 19-yard line. On 3rd and 5, the Blazers intercepted a GHS pass. On 3rd and 8, Bindschatel intercepted a Kalkaska pass to get the ball back for Grayling.

Four runs by T. VanNuck gained 29 yards. A pass to Bindschatel and a run by T. VanNuck brought up 1st and 10 at the 25-yard line of Kalkaska. On 2nd and 10, the Blazers intercepted a Grayling pass to take over at their own 3-yard line.

On the first play of the drive, Parkinson sacked the Kalkaska QB for a safety (two points).

Kalkaska kicked and GHS started at its 46-yard line. The possession ended with a punt on 4th and 13. Kalkaska punted on 4th and 9.

Grayling finished a five-play, 54-yard drive with an 18-yard TD run by Jeff Bancroft. The series also included runs by T. VanNuck for 16 yards and 12 yards. Drudge kicked the extra point and Grayling led 34-0.

On 2nd and 10, Troy Wilson intercepted a Kalkaska pass and ran the ball into the end zone for a touchdown. The extra point kick missed. The Vikings had a 40-0 advantage with 6:52 left in the game.

Kalkaska punted after three plays.

On 3rd and 6, Bindschatel (playing quarterback) broke free for a 60-yard touchdown run. Drudge kicked the extra point.

The Vikings won by a final score of 47-0. The win was Grayling's second consecutive shutout, following a 33-0 victory at Harbor Springs two weeks ago. Grayling also posted a 28-0 shutout vs. East Jordan four weeks ago.

"This was a good win for our program. We executed on offense and we shut down Kalkaska on defense. We now have held teams scoreless in the last ten quarters of football. And to add to that stat, we have only given up 12 points total since our loss to

Houghton Lake. Discipline and desire out of our boys has made all the difference," Coach Ben Brock said.

"I don't know if the night could have been any better for our two senior leaders, Nick Parkinson and Jeff Bancroft. Nick caught six passes for 114 yards and two sacks. He was also crowned homecoming king at halftime. I'd say that was a pretty good day for a senior who has totally given himself for our program. Nick has made himself into an unbelievable talent and leader at the same time. Bancroft finished the night with five touchdowns - three passing, two rushing. He was 15 for 27 passing for 230 yards. He also rushed for 67 yards on five carries. His mechanics are getting better and he is limiting his mistakes," Coach Brock said.

"Tim VanNuck rushed 23 times for 132 yards on the night. He was our feature back against Kalkaska after Ryan Cooper rolled his ankle in the first offensive series. Ryan is fine but we took precautionary measures to make sure that he'd be ready for St. Francis. Cooper still finished with 78 yards on five carries. Tim and Ryan are two very hard-working running backs and they do whatever is needed to win ball games. Isaac VanNuck caught two TD passes and ended up with five catches for 100 yards. We finished the night as a team with almost 600 yards of offense and a

pretty balanced attack - 230 passing (yards) and 346 rushing (yards)," Coach Brock said.

"Sophomore Geo Bindschatel also had himself a game by racking up 15 tackles and an interception. He also ran for a 60-yard touchdown and caught a five-yard TD. Fellow sophomore Spencer Dean stepped up to the challenge in his first varsity game by playing every down on defense and making eight tackles. Tim VanNuck finished with 13 tackles and a sack. Troy Wilson finished with 10 tackles and took an interception into the end zone from 35 yards out. Ryan Cooper also had an interception on defense as we forced five more turnovers to increase the season tally to 21," Coach Brock said.

"Our next game is against Traverse City St. Francis. They have dominated this league for years and they also are defending state champions. They have a great program and expect to win when they come here on Friday. We are hoping that they come in with the same confidence that (playoff opponents) Alma and Kingsford arrived with last season. We cannot describe how huge this game is to our program. We will definitely have to play mistake free in order to have a shot at upsetting the kings," Coach Brock said.

The Vikings will host the Gladiators of Traverse City St. Francis at 7 p.m. on Friday, Oct. 6.

KIRTLAND CROSS COUNTRY

It's dark and it's cold, but Kirtland Community College's cross-country runners make it to practice by 7 a.m. without complaint, putting in a training run, lifting weights and performing some overall conditioning exercises before many of their fellow college students are out of bed.

Coach Steve Seager has established goals for his running teams and these Firebirds appear committed to achieving them.

"We've never had any runners in the top 30 of the NJCAA, and I'd like for some of these guys to be the first ones to do that, or

place even higher," said Seager, who is out there running right along with his team members at 7 a.m.

This is the fourth season Kirtland, which participates in the National Junior College Athletic Association, as well as the Michigan Community College Athletic Association, has fielded a cross-country team. Running in Division I, the Firebirds are pitted against teams from schools such as Lansing, Wayne County, Jackson and Oakland community colleges. At meets, teams from some of the

state universities are frequent contenders as well.

"Last week we were running against teams from Ferris (State University), Saginaw Valley and Grand Valley," Seager said about the Sept. 22 Ferris State University Invitational in which the Firebirds men's team placed eighth out of 10 teams, and Kirtland's women's team placed 10th out of 10. "There was stiff competition and their rankings don't reflect how well our runners really performed."

Seager is confident the Firebirds will perform well at the

Michigan Intercollegiate Meet in Big Rapids on Friday, Oct. 6, and the NJCAA Region XII Meet on Saturday, Oct. 21, in Lansing.

"They'll be familiar with the courses by then and that will help," Seager noted.

Running for the Firebirds men's cross-country team this year are team captain Michael Welch, of Mio; Justin Green and Chris Beltz, both of St. Helen; Sal Kabara and Jerry Foliot, both of the Central African Republic; and Roosevelt Harris, of Detroit.

Erika Seifert, of Roscommon, is captain of the women's team. She runs with Liz Stempke, of St. Ignace; Tiera Derrick-Jones, of Highland Park; Alyssa Loney, of Houghton Lake; Rena Barnett, of LeRoy; and Brittany West, of Detroit.

For more on sports at Kirtland, log on at firebirds.kirtland.edu.

Kirtland cross-country coach Steve Seager (second from left) and his men's and women's teams have faced some crisp fall mornings as they condition for their fall running schedule. The Firebirds are in the middle of their four-meet schedule and were out running early Thursday, Sept. 28, before stopping for this photo opportunity. With Seager are (L-R) Justin Green, Michael Welch and Chris Beltz.

PUBLIC NOTICE OF STATE-OWNED OIL AND GAS MINERALS TO BE OFFERED FOR LEASE AUCTION

Lands under consideration for oil and gas leasing include acreage in the following counties: ALCONA, ALPENA, ANTRIM, ARENAC, BAY, BENZIE, CHARLEVOIX, CHEBOYGAN, CLARE, CRAWFORD, GRAND TRAVERSE, ISABELLA, KALKASKA, LAKE, MACOMB, MASON, MECOSTA, MIDLAND, MISSAUKEE, MONTCALM, MONTMORENCY, NEWAYGO, OAKLAND, OCEANA, OSCEOLA, OTSEGO, PRESQUE ISLE and ROSCOMMON.

The Department of Natural Resources (DNR) will offer at an oral-bid public auction, oil and gas lease rights of approximately 93,000 acres of State-owned minerals in those Michigan counties indicated herein.

Registration of bidders will be held from 8:00 a.m. to 9:00 a.m. on Wednesday, December 6, 2006, at the Michigan Constitution Hall, 525 West Allegan Street, Lansing, Michigan.

Offering of lease rights will begin at 9:00 a.m. at a minimum bid of \$13.00 per acre, and will continue until all descriptions have been offered. Additionally, at the auction's end and at the option of the DNR, parcels not bid in at \$13.00 per acre, may be re-offered at a minimum bid of \$5.00 per acre.

Bids may be submitted by individuals of legal age, a partnership, corporation, or other legal entity qualified to do business in Michigan. Prospective bidders should be prepared to submit such proof at the time of registration.

The total bonus bid must be paid on the same day the lease rights are bid in. Prospective bidders who do not have an established credit rating with the DNR through prior leasing of State-owned minerals, must pay at least one-half of the TOTAL bonus bid by cash, certified check, cashier's check, or money order. A credit rating may be established by filing with DNR/Forest, Mineral and Fire Management (FMFM)/Mineral and Land Management Section (MLMS), three letters of reference, one of which must be from a bank. In no instance will the DNR accept "site drafts" even if noted as a "zero day site draft."

An auction catalog showing further auction particulars including a) the legal description of the lands proposed to be offered, and b) parcel classifications, will be available after November 9, 2006, on the web at <http://www.michigan.gov/dnr>; or by contacting DNR/FMFM/MLMS, P.O. Box 30452, Lansing, Michigan 48909-7952, telephone 517-373-7663.

Written comments by interested parties relative to the classification of any description, must be received by FMFM at the address specified above NO LATER THAN November 8, 2006. Any request for change in classification will be considered by DNR prior to offering the lease rights at public auction, with final classification to be set at the sole discretion of the Director of the DNR.

The Crawford County Board of Commissioners are considering \$53,104 in department cuts to keep the 1983 budget out of the red. A mid-year review discovered revenues in a few departments were falling short of budget estimates and expenditures in several areas were running high.

Pedestrian traffic lights will be installed at the main intersection in downtown Grayling by the end of the year. The Grayling City Council voted 4-1 September 26 to participate in a state and federal program to place four Walk/Don't Walk lights at the corners of Michigan Avenue and Cedar Streets.

A survey for Crawford AuSable School District voters concerning the middle school building issue was mailed to 2009 voters in the September 12 election. The survey is intended for voters who did not go to the polls on September 12. The survey will help school officials decide a course of action to solve middle school problems.

A 65-yard punt return, 80-yard punt, and a 35-yard touchdown pass led Rogers City to a 28-12 league win over the Grayling Varsity football team.

The Grayling girls varsity basketball team, using one big quarter in each game, knocked off two league foes last week in running their record to 6 - 0 overall and 2

0 in the Michigan Huron Shores Conference.

The Orangecoat Roundup this year will have a brand new look as virtually everything about it is changed. It will sport a new buck pole located at Skip's Sport Shop. The contest will be extended to two days, November 15 - 16. In almost every division prizes will be awarded for each of the two days. The only single prize awarded will be a deer rifle with a scope for the largest rack downed during the two days. For the first ten bucks brought to the Orangecoat headquarters each day, a \$25 savings bond will be presented. Additional prizes will be handed out each day for the heaviest buck, first woman to bring in a buck, oldest man to hang a buck, youngest hunter with a buck, and the first buck hung each day.

Fred Bear, Grayling's archery expert, is given a colorful splash of nationwide publicity in the current issue of Dodge News Magazine. Subject of the story is his exciting Polar Bear hunt in Alaska several months ago, when he narrowly escaped death. The magazine which is nationally circulated among more than 800,000 automobile-owning families, devotes a three page spread to the Michigan man's adventure under the heading "Two Leaps Away From Death." A dramatic

photo taken by Robert Munger of Charlotte, shows a wounded Polar Bear just before the enraged animal charged the hunting party led by Bear.

The Bruce Smiths and the Ward Ellisons attended the MSU - U of M game at East Lansing on Saturday.

Coach Don Ferguson is working the Grayling High Vikings football squad hard this week preparing for the invasion of the Harbor Springs Rams for a game under the lights Friday night. The Vikings last Friday night turned in one of the best team performances in many, many years as they led a strong Charlevoix team most of the ball game to hold them to a 13 all tie.

The band news this week is all about the majorettes. There are eight of them: Linda Smock, Gwen Davis, Julie Carlson, Charlene Holtcamp, Nancy Sorenson, Marie Scott, Cheryl Smock and Pat Williams. They have new uniforms of green corduroy which the girls purchased themselves or had someone make for them. Every year one of the majorettes attends a twirling clinic to learn new twirls and routines, so you will be seeing lots of new routines.

RECIPE OF THE WEEK

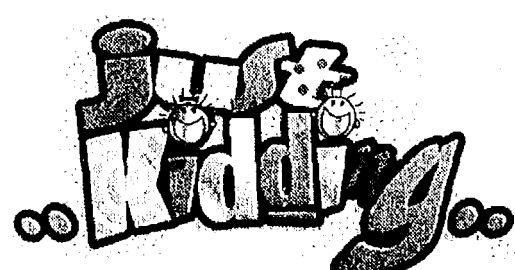

Ginger-Glazed Almonds with Dried Fruit

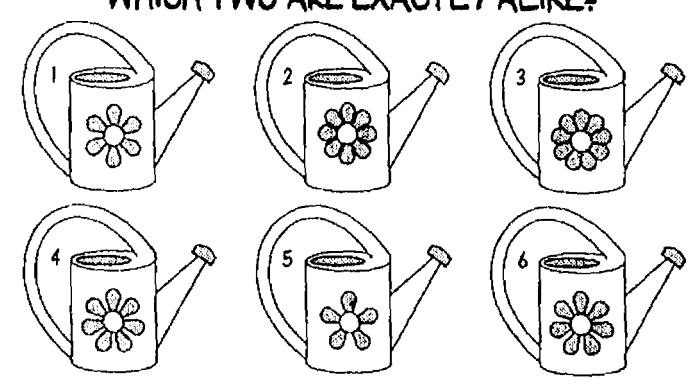

- | | | | |
|-------|---|-----|--|
| 1 | Cooking spray | 3/4 | teaspoon kosher salt |
| 1 1/2 | tablespoon unsalted butter | 1/8 | teaspoon ground ginger |
| 1 1/2 | tablespoons packed light brown sugar | 1 | cup whole blanched or natural almonds |
| 1 | tablespoon water | 1 | cup dried berries, cherries, cranberries, mango, apricot, apple, pear or other dried fruit |
| 1 1/2 | teaspoons peeled and finely grated fresh ginger | | |

Preheat oven to 300°F. Line a baking sheet with foil and coat with cooking spray. Melt butter in a large skillet on medium heat. Stir in sugar, water, fresh ginger, salt and ground ginger. Cook until sugar dissolves, then stir in almonds. Spread almonds onto foil, and bake 25 to 35 minutes, stirring once, until almonds are golden (cut one open to test). Transfer almonds on foil to a rack and cool completely. Loosen with a spatula and combine with dried fruit. Store airtight for up to 3 days.

We've got a million of 'em. More than a million. Every year.

That's the RE/MAX story.

RE/MAX agents average more experience and more sales than other agents. So they know a thing or two about bringing buyers and sellers together.

If your next chapter involves a change of address, look to the agents who specialize in happy endings.

Look to RE/MAX.

Kids Read All About It

The Newspaper.
Once called "the school-master of the people," today's newspaper is one of the many forms of information and entertainment. But as an educational tool, the newspaper still stands alone. Children can learn from the article in front of them, and from the relation of that article to others in the same paper. The newspaper is a window on the world, composed of many panes. Encourage your children to see the whole picture - in the newspaper.
